

## BLOSSOM®

Blossom is ideal for high performance beef and dairy units

Formulated for growth rates of +/- 650g/d to weaning

A high quality 'all rounder' for beef & dairy

Encourages early solid feed intake

Designed for use in bucket and machine rearing systems

Protein <b>23%</b>	Oil <b>18%</b>	Ash <b>7.5%</b>	Fibre <b>0%</b>
-----------------------	-------------------	--------------------	--------------------

## OLYMPIAN®

Volac Olympian has been designed for the modern beef enterprise and traditional dairy units.

Olympian offers farmers exceptional, cost effective growth rates. Formulated with very high energy levels, it results in not only well-grown calves but also good-looking ones.

Protein <b>20%</b>	Oil <b>20%</b>	Ash <b>8%</b>	Fibre <b>0%</b>
-----------------------	-------------------	------------------	--------------------

## HEIFERLAC®

Heiferlac has been developed specifically for the modern dairy heifer calf and will result in the fast frame growth required in the early part of life to achieve all target weights to bulling and beyond.

Ideal for once and twice a day feeding and some ad-lib systems requiring an instant type powder.

Protein <b>26%</b>	Oil <b>16%</b>	Ash <b>7%</b>	Fibre <b>0%</b>
-----------------------	-------------------	------------------	--------------------
