

SUPREME BREEDER CUBES

from

Bretts Supreme Breeder Cubes

Bretts Supreme Breeder Cubes are specifically formulated to complement lush, spring grass. **This 14% cube includes Actisaf Sc 47® live yeast and Acid Buf®** to improve rumen function, reduce the risk of acidosis and protect milk butterfat and protein during the grazing season.

Including our Performance Improvement Pack, it offers flexible feeding levels from 3-6 kgs and provides the full requirement of minerals for cows during the breeding season."

ActiSaf^{Sc 47}
